EDUCATION

University of Washington, Seattle June 2028
Bachelor of Science, Applied and Computational Mathematics
GPA: 3.67

Relevant Coursework: Multivariate Statistical Methods, Applied Regression, Computational Methods for Data Analysis, Computer Programming I and II

RELEVANT EXPERIENCE

Hackfest, University of Washington, Seattle, WA March 2026
Participant

- Built an app that pairs students to relevant study groups based on their strengths and academic needs
- Presented the app to an audience of 200+ by creating effective and engaging use cases and live demonstrations
- Placed third out of 50 teams at the 2026 Hackfest hackathon for development of a robust, fully functional app that met the needs of a large population
- Received an invitation to pitch full launch and integration of the app into the university ecosystem at a leadership conference in summer 2026

DubHacks, University of Washington, Seattle, WA September 2025 - December 2025
Logistics Director

- Collaborated with two other directors to coordinate logistics for an annual 24-hour hackathon, including power supplies, catering, seating, and first aid, ensuring that over 75 participants had a meaningful experience
- Analyzed market research and created data visualizations

PROFESSIONAL EXPERIENCE

UW Housing & Food Services, Seattle, WA January 2026 – Present
Systems Assistant

- Track, reconcile, and ensure accuracy of more than 350 purchasing orders and vendor reports
- Research product nutritional information through vendor inquiries and USDA research and work with registered dietitians to develop streamlined nutritional reporting process
- Standardize nutritional packaging information and present updates to University of Washington dining staff
- Run weekly reports on trends in product nutrition and visualize data through Excel charts and tables

LEADERSHIP EXPERIENCE

First Year Programs, University of Washington, Seattle, WA September 2025
Dawg Daze Volunteer

- Managed 9 welcome events to ensure incoming first-year students developed connections with their peers
- Assisted event leaders with answering complex questions from a diverse group of students and their families
- Distributed materials and supplies to each event coordinator to ensure each event ran smoothly

UW Latinx Student Union, University of Washington, Seattle, WA November 2024 - June 2025
Recruitment Officer

- Recruited 40+ new club members by supporting outreach efforts to staff booths at resource fairs around campus
- Created Facebook posts and wrote email announcements to promote toy and school supply drive events, resulting in the participation of 65+ UW community members
