EXPERIENCE

Child and Family Services Intern **September 20xx - Present**

Community Support Center, Seattle, WA

- Assist in developing and implementing programs to support at-risk children and families focusing on behavioral and emotional needs
- Conduct two weekly observations and assessments to inform written case reports and make recommendations for intervention strategies
- Improve outcomes for families in the program by partnering with psychologists and social workers to coordinate support services

Summer Camp Counselor **June 20xx - August 20xx**

Camp Evergreen, Issaquah, WA

- Developed and led engaging activities for groups of 15-20 middle school students fostering a safe and inclusive environment
- Collaborated with fellow counselors to create weekly schedules to ensure diverse programming tailored to campers' interests
- Mediated disputes among campers by implementing conflict resolution strategies and encouraging open and honest communication

Barista **October 20xx - May 20xx**

Café Solstice, Seattle, WA

- Greeted and interacted with customers in a fast-paced environment, while handling cash transactions and managing inventory
- Created complex weekly schedules for a team of 10 to ensure adequate coverage during peak hours and maintain staff morale
- Trained new employees on company protocols, including customer service standards, beverage preparation, and health regulations
- Cultivated strong rapport with regular customers to enhance the store's community atmosphere

LEADERSHIP ACTIVITIES

Active Minds Club Advisor **October 20xx - Present**

University of Washington, Seattle

- Attend monthly meetings and events that focus on current trends in psychology and offering networking opportunities with professionals in the field
- Coordinate mindfulness activities once per quarter for students to engage in Stress Less Week
- Design flyers and social media posts to raise awareness about National Suicide Prevention Month
