Grace Oyelaran

Site Reliability Engineer

Remote, US · (404) 555-0123 · grace.oyelaran@example.com

Profile

SRE with seven years running Kubernetes platforms. I care about clear alerts, honest SLOs and calm on-call.

Core skills

Kubernetes · Terraform · AWS · Prometheus · Grafana · Go · Incident response

Work experience

Senior Site Reliability Engineer, Cobalt Health

Remote | 2021 - Present

- Ran 14 production Kubernetes clusters; moved the team to SLO-based alerting and cut pages by 60%.
- Wrote all cluster infrastructure as Terraform modules.

Systems Engineer, Peachtree Hosting

Atlanta, GA | 2017 - 2021

- Automated server provisioning and patching for 2,000 hosts.

Education

B.S. Information Technology, Georgia State University, 2017

Certifications

Certified Kubernetes Administrator (2022)
